

FROM THE PRINCIPAL'S DESK

Dear Parents, Carers and Community members

Assembly Last term

Many thanks to the many community members and parents who attended our assembly last term in what were cold winter conditions. It was so wonderful that you all came to congratulate our students on their achievements last term.

Year 12

Year 12 are now into their last term of school. Whilst two lots of examinations are ahead and there are lots of assessments to complete, Year 12 are to be commended on their methodical approach to their work and learning. Year 12 you are reminded to continue to focus upon your work and your study. Now is not the time to give up. There is only a few weeks to go until its all over.

RFS CADETS

Last term students and staff were provided with their uniform and personal protective equipment. Many thanks to the Rural Fire Service and Lachlan Johnson for all is organisation and for providing such a wonderful opportunity for our students. The start of RFS Cadets has been delayed until further notice due to RFS COVID restrictions.

The school has received a Wellbeing Health in School Nurse one day per fortnight. She will be assisting in all health referrals to ensure that we can assist students and families. We welcome Rebecca Collyer to our staff and look forward to working with her.

Attendance

Parents and carers are reminded that good attendance at school is vital. If you are having issues with getting your child to school, please ensure you contact us.

Thank you

I would like to extend my thanks to the Glen Innes Leos for supporting our Breakfast Club with their generous donation.

SECONDARY NEWS

Welcome back to Term 3! I hope this finds everyone happy and well. Given the recent Covid-19 outbreak in Sydney, there is an increased focus on students sanitising while at school. The Department of Education guidelines also recommend that students in secondary wear masks to school- masks are mandatory on public transport. This applies to students aged 13 years and over, when travelling to and from school and during school excursions by public transport or by chartered or private transport services.

Stay safe!

Miss Rebecca Grant

Head Teacher- Secondary Studies.

Mummified Apples!

Our staff always endeavour to teach our students using engaging activities. Ms Smith, has been doing some great work with the Stage 4 History class to teach them about Ancient Egypt.

"As part of their Ancient Egypt studies, Stage 4 completed an activity mummifying apples. The purpose of this activity was to simulate the drying out of a Pharaoh's body before it is wrapped in bandages. In Week 9 of last term, we placed the apples in jars with a mixture of table salt and bicarbonate of soda and left them for about 5 weeks. These are the result." - Ms Smith

PRIMARY NEWS

Welcome back to Term 3! We have had a great start to the term, despite all the rain! Primary staff are working hard to ensure that students will be given opportunities for engaging and fun learning tasks this term. We ask that if you have any questions about your child's schooling, that you please contact us to discuss these. We are happy to help with any inquiries.

Attendance

We are aiming to place a large focus on improving student attendance this term. You may hear your child talking about our class race tracks where students get to move along the race track each day they are at school and receive small prizes each time they reach a pit stop of 10, 20, 30, 40 and even 50 days. Please work with us and your child to help them achieve great results on our class race tracks. There will also be family prize draws occurring this term! Stay tuned for more information on these!

Lost property

Even though we have only been back at school for one week, we already have some lost property, mainly in the form of school jackets. Please label all school clothing and if you are missing any jackets or other items, please phone the school and we can arrange to get it back to your child if found.

Heads up! Book week is coming!

The book fair is coming in Week 7 of this term!!! Students will have the opportunity to peruse the books, make a wish list and purchase books during this week. It coincides with National Book Week and we will also be having a dress up day where students will come dressed as their favourite book character! Start thinking about your costumes!!!

Also... this year we will be having a "Bake a book" competition! (No! You don't actually put a book in the oven!) Students will be encouraged to bake a cake and decorate it in the shape/form of their favourite book or book character. During book week, students will bring in their fantastic baking designs, they will all go on display and their will be wonderful prizes up for grabs!

More information about book week fun will be outlined in the next newsletter. We are looking forward to a fun filled book week!

Keep smiling and stay warm!
